

The Science Debate is over and GHG Emissions Reductions are on their way – will it be Legislation, Litigation, or Regulation?

- Congressional Action: House passed Cap-and-Trade, Senate considering It (and considering it...)
- Judicial Action: Nuisance/damage claims
- ARB Rules:
 - GHG Reporting
 - Proposed Cap-and-Trade
 - SB 375 - Sustainable Communities
- EPA Rules:
 - GHG Reporting
 - Final Endangerment Finding
 - Motor Vehicle GHG Emission Standards
 - Proposed PSD/Title V Tailoring Rule
- Rules developed in public process – be engaged
