CALL FOR SPONSORS

What will it take to unleash the promise of the San Francisco Bay-Delta region for global competitiveness in trade and commerce? Recognizing that growth supplies the infrastructure and capital needed for our commerce, recreation and natural environment to thrive, there are emerging opportunities through business efficiencies and innovation for reviving a stagnating economy. This year's Conference will address sustaining and growing the region's global competitiveness in trade and commerce.

It's time to roll up our sleeves at the Bay Planning Coalition's 25th Annual Decisionmakers Conference—the forum of the year where we provide a platform for new ideas, thoughtful action and solutions through coalition building.

The success of our Annual Decisionmakers Conference depends on the participation of all stakeholders in the Bay Planning Coalition. We need your help by becoming a sponsor. Through your sponsorship, you are investing in the Bay's future, which we all share.

For 29 years, BPC has been making a difference in San Francisco Bay facilitating the balanced and intelligent use of the Bay for thriving commerce, recreation and the environment. Your sponsorship will help ensure that BPC will continue to offer access and advocacy on behalf of our members and achieve its mission for public well-being.
