An aerial photograph of a coastal area, likely a bay or estuary. The image shows a complex network of waterways, marshes, and man-made structures. In the foreground, there are several large, rectangular buildings, possibly industrial or commercial. The water is a deep blue, and the marshes are a mix of green and brown. The sky is clear and blue. The text is overlaid on a semi-transparent grey box in the center of the image.

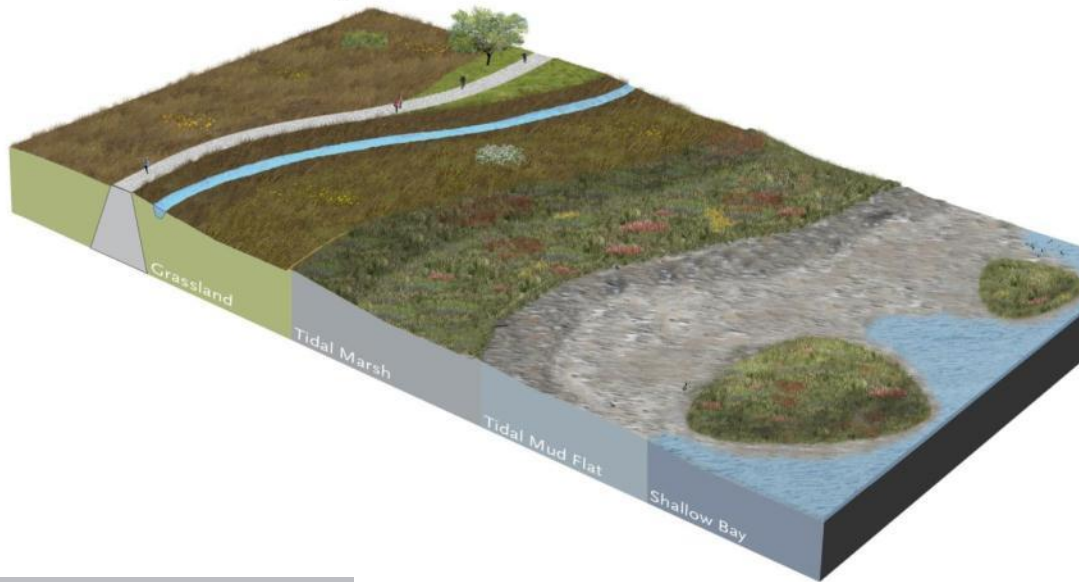

Sea level rise is coming: what do we do about it?
