

## David Olson

David Olson is well known in the San Francisco Bay Area as a businessman and philanthropist. He has served on many foundations, and service oriented boards. These boards follow in the lines of his interests and passions, from automobile racing, vintage boats, to overall heritage of historical monuments. With great passion he feels that today's generation save, and pass on the treasures they have inherited.

Mr. Olson's business career has included founding and / or leading several corporations engaged in diverse businesses including Steel Fabrication, Real Estate, and Shipyard / boat building. Currently, he is Chairman, and CEO of Olson Steel a large West Coast steel fabricator.

Among his passions are classic and vintage boats, and yachting. He has found and restored many classics from the 1920's and 30's. He is currently involved in the restoration of a 136 foot 300 ton steel motor yacht constructed in 1930. His daily Bay boat is a 1930 Pilot Boat built and owned by the City of San Francisco.
