

2014 SPONSORSHIP OPPORTUNITIES

Bay Planning Coalition continues to lead by bringing key players together to develop solutions that keep bay projects moving and working to produce more jobs. Our efforts support our mission of working through a broad coalition to educate about and advocate for sustainable commerce, industry, infrastructure, recreation and the natural environment connected to the San Francisco Bay and its watershed.

Sponsorship makes our educational events possible, enabling us to expand our scope and reach. As you know, we host multiple Workshops and now Expert Briefings every year, as well as an annual Decision Makers Conference. By becoming a sponsor, you will be investing in the Bay's economic future and helping to ensure that BPC continues to offer access and advocacy on behalf of our members. Your sponsorship also brings you excellent visibility to our members and contacts—more than 3,000 of them!

In 2014, we will have at least three workshops, in addition to five planned expert briefings. Workshop and Briefing topics will include “Abandoned Vessels,” “Ocean Planning: How Will It Affect the Maritime Industry?,” a 2014 CEQA Update, a continuation of the conversation on Dredging and Beneficial Reuse, another in our Energy and Water Nexus Summit series, and more. We will also host another exciting Decision Makers Conference.

We need your help to make our 2014 events a success!

Last year, we introduced the option of joining the President's Circle, packaging your sponsorships for all events into one convenient payment along with your dues. We hope you will consider joining the 2014 President's Circle. **We would love to be able to announce your participation at the December 13, 2013 Annual Membership Meeting and Luncheon!**

Please see the reverse for a description of our sponsorship options.

Sign up today as a sponsor for BPC's 2014 events:

Organization Name: _____

(as you would like it to appear in materials)

Address: _____
