8. SCHEDULING

This segment of the meeting is reserved for scheduling items for future Agendas and/or scheduling Special Meetings

8.1 Motion Resolution: Approval for the Executive Director, or His Designee, to Conduct an Environmental Review Hearing for the Schnitzer Steel Industries, Inc. “Stormwater Improvement Project **(Environmental)**”

In accordance with the “By-laws and Administrative Rules, Board of Port Commissioners (Article IX, Section 20)”, environmental review on projects on privately-owned property within the Port Area is subject to a public hearing by the Executive Director. However, the Board must first authorize the Executive Director to proceed with the environmental review hearing. Schnitzer Steel, a materials recycling and processing facility, is located on privately-owned property within the Port Area. Schnitzer Steel proposes to construct a “Stormwater Improvement Project”, which requires a Port development permit with an environmental determination prepared pursuant to the California Environmental Quality Act (CEQA). The Port of Oakland is the CEQA Lead Agency for this project.

Port staff requests that the Board authorize the Executive Director to notice and hold an Environmental Review Hearing to consider the Initial Study (IS) and adopt a Negative Declaration (ND) for the Schnitzer Steel Industries (Schnitzer) “Stormwater Improvement Project”. The draft ND and Initial Study can be found on the Port's web site:
