

## SWRCB revises schedule for California WaterFix Water Right Change Petition Hearing

On April 25, the State Water Resources Control Board (SWRCB) revised the [hearing dates and room schedule for the Continuation of Part I](#) of the California WaterFix Water Right Change Petition Hearing.

## Reminder — April 29 is annual spring Delta Waterway Cleanup

Saturday April 29 is the annual spring Delta Waterway Cleanup that the [Sacramento-San Joaquin Delta Conservancy](#) organizes in coordination with the Sacramento Area Creek Council's [Creek Week](#). This year, the Delta Conservancy will be leading cleanups at three sites around the Delta. These locations are Lower Morrison Creek/ Bufferlands, Sherman Island, and Grizzly Island Trail. Volunteer sign-up, directions to cleanup sites, and other pertinent information are [here](#).

## CVFPB meeting includes workshop on draft flood protection plan

The Central Valley Flood Protection Board (CVFPB) will meet April 28 in Sacramento. Agenda, time, location, and remote access information are [here](#). There will be a [workshop](#) for the Draft 2017 Central Valley Flood Protection Plan update following the regular CVFPB business meeting.

## Constituents of Emerging Concern workshop, May 1–2, will have remote access

The Central Valley Regional Water Quality Control Board, in collaboration with the State Water Resources Control Board and the Delta Stewardship Council's Delta Science Program, will conduct a two-day workshop, titled Constituents of Emerging Concern and Aquatic Ecosystem Monitoring, May 1–2 in Sacramento. Day 1 topics include information sharing, lessons learned, and statewide consideration. Day 2 activities apply Day 1 information to develop plans for future monitoring within the Delta. The workshop location is the Sacramento Regional County Sanitation District, 10060 Goethe Rd., Sacramento. Because of limited parking in the lot, please park on the street. Agendas for May 1, May 2, and remote access information are [here](#).

## Delta RMP Steering Committee meeting is May 3

The Central Valley Regional Water Quality Control Board's Delta Regional Monitoring Program (Delta RMP) Steering Committee will meet May 3 in Rancho Cordova. See the [Delta RMP web site](#) for agenda package, time, location, and remote access information.

## IEP posts new edition of IEP Newsletter

The [Interagency Ecological Program for the San Francisco Estuary](#) (IEP) has posted a [new edition of the IEP Newsletter](#). Article titles include "A Comparison of Different Phytoplankton Counting Methods," "2015 Status and Trends for Pelagic Fishes of the Upper San Francisco Estuary," "2016 Spring Kodiak Trawl Summary," "2014-2015 Yolo Bypass Fisheries Monitoring Status and Trends Report," "2016 20-mm Survey," "2016 Smelt Larva Survey Summary," "2015 Benthic Monitoring," and "2014 and 2015 Phytoplankton Community Composition."
