

## Interagency Ecological Program posts job opening

Please help distribute this [vacancy announcement](#) for the role of IEP Program Manager.

## Delta Protection Advisory Committee (DPAC) announces meeting

The next DPAC meeting is Thursday, March 1. This meeting will be held at the Walnut Grove Library Meeting Room, 14177 Market Street, Walnut Grove, from 5:30 p.m. to 7:30 p.m. The [agenda](#) is available, with a focus on agenda items [5A](#) and [5B](#).

## Delta Regional Monitoring Program (RMP) Steering Committee meeting announced

The Delta RMP Steering Committee has announced a meeting for March 2, from 10:00 a.m. to 4:30 p.m. The meeting will be at the Central Valley Regional Water Quality Control Board, 11020 Sun Center Drive #200, Rancho Cordova. Click [here](#) to view the agenda.

## California Advisory Committee on Salmon and Steelhead Trout meeting announced

This meeting will be held on March 8, from 9:00 a.m. to 12:00 p.m., at the CDFW Office (830 S Street, Sacramento). See the [agenda](#) for more information.

## Delta Independent Science Board (Delta ISB) meeting announced

The [Delta ISB](#) is holding a meeting in Folsom on March 9, in the Placer Room at the Lake Natoma Inn, from 9:00 a.m. to 2:30 p.m. The Delta ISB will meet to discuss the status of addressing public comments on its [draft water quality review](#), public comments received on its [water supply reliability review draft prospectus](#), and the status of upcoming requests for review from the [Delta Stewardship Council](#) and the [Delta Science Program](#). Please click [here](#) to read the public meeting notice.

## Delta Stewardship Council announces salmon disease ecology workshop

This workshop will be held March 14, from 9 a.m. to 5 p.m. in Davis. This symposium will cover what is known about pathogens and diseases in wild salmon populations in the Central Valley, what monitoring and research gaps exist, and how other systems manage to control or reduce impacts of pathogens/disease. A key deliverable goal from this workshop is the development of recommendations for improving disease research and monitoring in the Central Valley, with an emphasis on exploring management actions related to reducing direct and indirect mortality caused by disease. Click [here](#) for more information.

## 2017–2018 Proposition 1 Full Proposal Solicitation is Now Closed

The 2017–2018 full proposal solicitation has closed. Full proposals are currently being reviewed and the [Delta Conservancy Board](#) will make funding decisions at the March 28 Board meeting.
