Delta Protection Commission job announcement

The Delta Protection Commission, a State of California agency, seeks a motivated student to assist with planning projects and activities in the Sacramento-San Joaquin Delta. The position is located in the DPC's West Sacramento office. This is a part-time, temporary, non-benefited, student position. Visit the [job details page](#) on the University Enterprise, Inc. website for more details and to apply.

San Joaquin Asparagus Festival

Are you ready for asparagus ice cream? One of the California Delta's most beloved festivals is back with even more food and fun for the whole family! Come on out and enjoy the beautiful Delta spring at the San Joaquin Asparagus Festival this year! There will be live entertainment, a kid zone, carnival rides, vendors, a craft beer & wine pavilion, and, of course, Asparagus Alley! Friday through Sunday, April 20–22, 10:00 a.m. to 8:00 p.m. at the San Joaquin County Fairgrounds, 1658 S. Airport Way, Stockton ([Map](#)). Visit the [website](#) for complete details.

Watershed Day at the Capitol

"Waters in Peril?" on April 25. Click [here](#) for more information and to register.

Delta Stewardship Council Meeting April 26–27

This meeting will begin at 9:00 a.m. at the auditorium in the Ziggurat Building at 707 3rd Street, West Sacramento. This meeting will discuss Delta Plan Amendments: Delta Levees Investment Strategy, conveyance and storage systems and the operation of both, and performance measures. The Council will consider certification of Program Environmental Impact Report and adoption of Delta Plan Amendments. Click [here](#) to read the meeting notice.

Delta ISB hosts brown bag seminar: Remote Sensing Monitoring Methods for Detecting Invasive Weed Coverage in Delta Waterways and Bay Marshlands

The [Delta Independent Science Board](#) (Delta ISB) will undertake a [broad review](#) of monitoring efforts in the Delta. This Monitoring Enterprise Review will investigate numerous programs across the natural, biological, and social sciences. This seminar on May 3, from 12 to 1 p.m., is part of a brown bag [series](#) intended to cover the state of monitoring in the Delta as seen from a wide range of perspectives. Extended discussions with the Delta ISB, invited guests, and attendees will follow this seminar for 60 to 90 minutes. Access the informational flyer for this brown bag series [here](#).

Delta Independent Science Board Meeting

The Delta Independent Science Board will be meeting May 3 to 4 at the Park Tower Plaza in Sacramento. Click [here](#) for more information.
