

Delta Protection Commission meeting

The Delta Protection Commission will be meeting Thursday, July 19, from 5:30 p.m. to 7:30 p.m. at the Jean Harvie Community Center Auditorium (14273 River Road Walnut Grove, CA 95690). The [agenda](#) is available. Agenda items include:

- Delta Protection Advisory Committee (DPAC) report.
- Report on crop evapotranspiration in the Delta presented by Michael George (Delta Watermaster), Dr. Jay Lund, and Jesse Jankowski (UC Davis Center for Watershed Sciences).
- Staff report on the Delta Sign Plan.
- Update on CA WaterFix supplemental EIR/EIS.

The associated documents are available [here](#).

Presentation/Webinar Invitation: Watershed University | Flood-Mar: Using Floodwater for Managed Aquifer Recharge

With the effects of climate change necessitating wholesale changes in how water is managed in California, "Flood-MAR" presents a sustainable strategy that can simultaneously accommodate longer and deeper droughts and more severe and frequent episodic and seasonal flooding. Flood-MAR is an integrated water resource management strategy that uses flood water resulting from, or in anticipation of, rainfall or snowmelt for managed aquifer recharge on agricultural lands and working landscapes. This webinar will take place Tuesday, July 24, from 12:00 p.m. – 1:00 p.m. For more information, click [here](#).

California Water Commission meeting

The California Water Commission will be meeting in Sacramento on July 24, starting at 9:30 a.m. Click [here](#) to view the location, agenda, and any supplemental information.

Delta Stewardship Council meeting
