- 2017 Smelt Larva Survey Summary.

10th Biennial Bay-Delta Science Conference

The Biennial Bay-Delta Science Conference is a forum for presenting technical analyses and results relevant to the Delta Science Program's mission to provide the best possible, unbiased, science-based information for water and environmental decision-making in the Bay-Delta system. The goal of the conference is to offer new information and syntheses to the broad community of scientists, engineers, resource managers, and stakeholders working on Bay-Delta issues. The 10th Biennial Bay-Delta Science Conference will be held September 10–12 at the Sacramento Convention Center. Click [here](#) to register and for more information.

Delta waterway cleanup

Volunteers are needed for the Delta waterway cleanup scheduled for Saturday, September 15, from 9:00 a.m. to 12:00 p.m. Join the Delta Protection Commission for the largest volunteer event in California! Staff will serve as site captains for the cleanup sites, one in each Delta county. Use the volunteer registration link to sign up as an individual volunteer or to register your church group, Scout troop, or school club as volunteers. Click [here](#) to register as a volunteer. Please check the [Delta Waterway Cleanup webpage](#) for all of the details for this event.

Water Education Foundation's 2018 Water Summit

The 2018 Water Summit, the Water Education Foundation's premiere event of the year, will feature critical conversations about water in California and the west revolving around one central theme: Facing Reality from the Headwaters to the Delta. The summit will be held September 20 in Sacramento. For more information, click [here](#).

Formerly called the "Executive Briefing" and celebrating its 35th year, the Water Summit will feature top policymakers and leading stakeholders providing the latest information and viewpoints on issues affecting water statewide and across the west. Brenda Burman, commissioner of the U.S. Bureau of Reclamation, will give the keynote lunch address. [Eventbrite — The Water Education Foundation's 35th Annual Water Summit](#).

Delta Regional Monitoring Program Technical Advisory Committee meeting

The Technical Advisory Committee will be meeting on September 21, from 10 a.m. to 4 p.m. at the [Regional San, Sunset Maple Room, 10060 Goethe Road](#), Sacramento. For more information, click [here](#).
