Dredging & Beneficial Reuse Committee Meeting

This month, BPC's Dredging & Beneficial Reuse Committee held its first meeting of the year. At the meeting, members reviewed industry-related developments, discussed the potential for state funding of dredging, and welcomed Brenda Goeden (BCDC) to provide more information on behalf of the LTMS Program Managers.

We look forward to implementing our 2023 dredging & beneficial reuse Policy Agenda in the coming months. If you are interested in participating in this committee, click below to register for our next committee meeting.
