BPC Briefing: 2024 CEQA Update

CEQA & Environmental Regulations Update

MCLE Credit Available Pending Approval

Tuesday, January 30 | 8:30 am – 11:45 am

In Person: Cal State East Bay Oakland Conference Center

BPC has rescheduled our CEQA update originally slated for December 6th to **January 30th**, due to timing conflicts with another CLE event. We apologize if there is any inconvenience and look forward to seeing you at our rescheduled date!

Two hours of general MCLE credit will be available pending approval.

We are in the process of finalizing the event agenda and look forward to sharing additional information shortly. Space is limited for this in-person event. If you are interested in attending, we encourage you to register today.

2023 Dredging & Beneficial Reuse Workshop

Dredging & Beneficial Reuse Workshop

Tuesday, October 31st, 2023 | 9:00 am – 12:30 pm
CSUEB Conference Center – Downtown Oakland

On **Tuesday, October 31st**, BPC's Dredging & Beneficial Reuse Committee held its annual Dredging Workshop. The event featured insightful conversations on regulatory updates, beneficial reuse site updates and industry perspectives, and state, federal, and private funding. We would like to thank our sponsors, participants, and attendees for supporting this year's workshop.

If you were unable to attend or would like additional information, click the button below to access the event materials.

Coalition Activities

Advocacy Efforts

This month BPC drafted two letters aligned with our mission and in support of our membership.

WETA Project Funding – Harbor Bay Waterside Infrastructure

BPC supported the Water Emergency Transportation Authority's (WETA) Harbor Bay Waterside Infrastructure funding through the California Energy Commission's (CEC) Implementation of Medium-and Heavy-Duty Zero-Emission Vehicle Infrastructure Blueprints program.

Regional Shoreline Adaptation Plan (RSAP) – Bay Adapt Joint Platform

This month, BPC joined BIA Bay Area and the Bay Area Council in submitting a coalition letter to address concerns with language in the Regional Shoreline Adaptation Plan's Vision Statement. The RSAP will be a region-wide plan for the shoreline that guides the creation of coordinated, locally-planned sea level rise adaptation actions that work together to meet regional goals through the Bay Adapt Joint Platform.

[Learn More About the RSAP](#)

BCDC Seaport Plan

This month, BPC was happy to speak in support of the Seaport Plan Update

On November 16th, the BCDC Seaport Plan was approved by the Commission with a vote of 22 yes votes. Following BPC engagement with BCDC staff regarding the Plan, we are supportive of the findings and policies, which will support the region's continued economic development. We would like to thank Cory Mann and the commission for their hard work, and look forward to continuing our collaborative relationship.

Other Coalition Updates

Member Updates

New California Association of Ports President

CAPA Names Kristine A. Zortman President.

Join BPC in congratulating the Port of Redwood City Executive Director, Kristine A. Zortman, for being named the President of California Association of Port Authorities (CAPA) this month. She will serve a term of two years effective immediately, with Mario Cordero, Port of Long Beach Executive Director, as Vice President.
