Join BPC at our annual Dredging and Beneficial Reuse Workshop on Thursday, October 9, 2025, at PG&E's Downtown Oakland Headquarters, as we explore developments in dredging and sediment management. This year's event will feature three segments highlighting regulatory and policy updates, beneficial reuse in action, and regional projects.

We are thrilled to welcome as our keynote speaker, Dr. Todd Bridges, Professor of Practice in Resilient and Sustainable Systems at the University of Georgia College of Engineering.

Register soon, as spots are sure to fill up quickly!

Advocacy Efforts

BPC Joins Large Coalition to Secure Prop 4 Funding

Earlier this month, Bay Planning Coalition joined a statewide coalition to call on the Assembly to identify a legislative champion who will ensure that Prop 4 funds are appropriated this year. Voters made their will clear in November, and it's essential that the approved funding is appropriated.
